

GM Alternator Upgrade For Mopars

Tired of dim lights, slow power windows, or have added electric fans? Then try our GM alternator upgrade for your Mopar.

This upgrade uses stock big block 383/440 brackets with no modifications.

Alternator comes in 105 or 140 amp with a natural finish (Polished Available). With the choice of a serpentine, single groove or dual groove pulley. Also included is a hi-amp connection kit.

All alternators come with a one year warranty.

105 Amp, 1 Wire Conversion Kit \$159.95* (Natural)

140 Amp, 1 Wire Conversion Kit \$179.95* (Natural)

105 Amp, 1 Wire Conversion Kit \$199.95* (Polished)

140 Amp, 1 Wire Conversion Kit \$219.95* (Polished)
